CIRCULAR TO ZANDVLEI TRUST MEMBERS

FALSE BAY COASTAL PARK

The City Planning Department is to hold a meeting on Wednesday 8 August at which they will present their proposals for the False Bay Coastal Park.

The park forms part of the Greening of the City plan, and is to cover an area from Muizenberg Point to Strandfontein, incorporating the vleis and the sewage farm. Prospective uses are recreation and conservation.

The Zandvlei Trust has been invited to attend, and we urge our members to take advantage of this opportunity to address the issue which concerns us directly, and to give our suggestions and comments.
